PRODUCT GUIDE

Choose your elixir

Problem	Elixir	Main benefits	How It works?	Ingredients
Unhappy with the condition of your skin, hair or nails, first signs of aging	The Collagen Formula / Pearl	Anti-aging supplement. Skin rejuvenation, elasticity and firmness. Healthy and beautiful hair and nourished nails, anti-aging effect, rebuilding skin tissue supporting structure	With age collagen synthesis becomes less efficient, however we can take collagen orally and deliver it with or diet. Proper levels of collagen help keep skin firm minimise the wrinkles, thus keeping it youthful looking for longer. Additionally, collagen is important to keep hair healthy and shiny and nails strong. It also supports joints and bones.	Marine collagen / Pearl extract
Problem with achieving your dream figure	The Bikini Body Formula	Healthy body shape, speeded up metabolism, supports stable blood sugar levels, more effective production of collagen in the body, minimised risk of stress induced weight gains	The Bikini Body Formula supports digestive processes, regulates the functioning of the digestive tract, thus contributing to maintaining healthy body shape. Thanks to rose hip and blueberry content, provides high levels of vitamin C, which supports the production of collagen in our body, which contributes to minimising the visibility of cellulite. Additionally, adaptogens included in the formula minimise the negative effects of physical and mental stress.	Rose hip, linseed, blueberry, lucuma, tulsi, triphala, ginger
Fatigued, non-radiant complexion	The Gorgeous Formula	Healthy, radiant, nourished and glowing skin	Rich in vitamins and antioxidants to make sure your skin is hydrated, cleansed, nourished, firm and glowing. Additionally, ingredients included in the Gorgeous formula provide first anti-aging support and UV protection. Side effect - improved immunity.	Barley grass, blackberry, baobab, ashwagandha, mucuna pruriens, triphala, matcha
First signs of aging, lost elasticity, firmness and hydration of skin	The Young Formula	Reduces oxidative stress, improves skin rejuvenation, its firmness and elasticity, reduces fine lines and provides support with menopausal issues	Very feminine anti-aging supplement, which helps delay first signs of aging, hydrate and rejuvenate the skin. Ingredients included in this elixir support women during menopause and high doses of antioxidants have a general rejuvenating, antiaging and immunity supporting effect.	Linseed, aronia berry, rose hip, shatavari, baobab, sea buckthorn, schisandra
Weight issues, tired and radiance-lacking skin, dry and dull hair	The Beauty Pageant Formula	Helps maintain healthy weight by supporting the digestive system, hydrated, nourished and firm skin, overall glow and immunity support.	It is the most complex and one-stop-shop ZOJO formula, targeting both skin and hair, as well as body shape issues. If you're thinking of a complex solution - this elixir is for you. It will help with maintaining your healthy body shape, support and hydrate the skin and provide a healthy glow from the inside out. The elixir's ingredients will also support the natural beauty of your hair, providing valuable vitamins and minerals to make it stronger and healthier looking. Lack of energy, lowered libido, female reproductive system issues	The Sexy Formula	Reproductive system support, support with fertility issues, energising and mood enhancing effect, natural aphrodisiac	Lacking energy? Coffee not helping any longer? No sex mood for a while? Try The Sexy Formula for support of the reproductive system, plus it will energise you, enhance your mood and efficiency. Maca and ginseng will act like natural aphrodisiacs.	Cacao, maca, ashwagandha, shatavari, reishi mushroom, ginseng
Lower immunity and wellbeing, feeling heavy and dull, water retention, feeling the need for detox and cleanse	The Supergreens Formula	Regulating intestines functions, cleansing effect, immunity support	Power from plants! This elixir supports proper functioning of the immunity and digestive systems. If you want to improve your overall wellbeing this formula is perfect for this. Its ingredients help cleanse the body from unwanted metabolism waste and support the liver, kidneys and intestines. It helps deal with water retention issues and supports maintaining a healthy figure.	Psyllium husk, spirulina, linseed, wheatgrass, baobab, moringa, chlorella
Poor diet of your child, fussy eater, common infections	The I Love You Formula	Immunity support, fruits and vegetables, vegan protein	We know you want to look after your family too. This junior formula is for fussy eaters, who do not tend to eat many nourishing foods such as vegetables or groats. It also provides immunity support if you're struggling with many infections during the year. When used regularly, it can support your children's immunity to help you avoid these infections plus it is a valuable source of vegan protein. More importantly, it will help you smuggle some valuable fruits and vegetables into their diet.	Lucuma, rose hip, carob, pea protein, rice protein, acai berries, beetroot, spinach
Lowered immunity, need to cleanse, liver issues	Golden Adapto Latte (złote mleko)	Immunity support, free radicals protection, liver support, glowing skin	Curcumin included in golden milk supports digestion, fat burning and proper functioning of the liver. This yummy beauty drink is rich in antioxidants, protecting from the damage caused by free radicals, which helps support wellbeing and beauty - from within.
